What’s happening in the Classroom

This term the K-6 students are busy participating in some interesting units of work.

Mrs Ramsay is teaching a History Unit called “Family Life, Past and Present”. The students are learning about family history and comparing it with families today.

Mrs Malone is teaching a Science Unit on “The Solar System”. The students are learning about all parts of our solar system and have already participated in some great practical activities.

The K-6 students are also participating in a Buddy/Peer Support Unit in PD/H/PE with Mrs Johnson. The students have been buddied up, learnt the buddy handshake and are working on fun and informative activities to help with peer relationships, communication and social skills.

We would like to commend all of our students on their positivity, interest, motivation and effort in all areas of school. We have had a wonderful start to 2015.

Assembly Awards

Student of the Week
Alex Bunyan
Year 3

For being happy, friendly and self-motivated at School.

Sport Award – Jayk Salis
GARAH Public School

Scooter/ Special Canteen Day
Friday, 6th March 2015

Next Friday we will be having our first Scooter and Special Canteen Day for the year. The students will need to bring along a scooter and helmet to ride on the day. The special canteen lunch will be a chicken wrap and chocolate milkshake for $5.

If your child would like the special lunch they just need to bring the money in on the day.

A big thank you to
NUFARM Australia
for the generous donation
given in support of
Garah Public School & Community.
The funds donated will assist in purchasing new reading resources for our students.
