Thank you to Boomi School

Last Wednesday the students and staff travelled down to Boomi Public School for a wonderful school performance called ‘It’s a Mad, Mad World’. The show was outstanding, exposing the students to the clever art of mime, juggling, balancing and storytelling, all wrapped up in a bundle of laughs and humour. Thank you very much to Boomi for inviting our school to share the experience. We look forward to returning the gesture early next term.

What’s happening in the Classroom

The K-2 students have been working hard learning about writing procedures in class. They have written some great work on how to make party hats, glitter glasses and jelly.

The 3-6 students have been researching and writing reports about an insect of their choice. They have discovered some fascinating information about moths, butterflies, bees, scorpions, grasshoppers, rhinoceros beetles and the praying mantis. They have presented them in wonderful slide shows using Powerpoint on the computer.

Wanted

The students will be completing some interesting activities in Buddy Groups next week. We need some clean glass jars with lids sent in to school. If you have any it would be appreciated if they could be sent in early next week.
