What’s happening in the Classroom

Over the last three weeks the 3-6 students have been busy learning about the names and properties of 2D shapes and 3D objects and how to measure using millimetres, centimetres and metres in length activities. The students have had fun doing some great practical activities in these areas. Their efforts in Maths have been excellent. The K-2 students have been writing reports in their writing lessons. They have learnt some interesting facts about ‘Big Cats’ and are using this information to publish some wonderful, informative written work. The students have been very interested in this topic and enjoyed learning about these amazing animals.

Assembly Awards

Student of the Week
Catherine Newcomen
Year 4

For outstanding work and being a great helper.

Classroom Awards

Josie Malone - For a big improvement in challenging herself
Clinton O’Neill – For being a great helper
Alex Bunyan – Excellent computer work
Hamish Ramsay – Excellent effort in Art
Riley O’Neill – Sports Award

Emerald Awards

Congratulations to Alex, William, Josie, Alex and Deacon!
Staff and students were thrilled to meet former Australian professional tennis star, Alicia Molik. Alicia spent time with the students answering many interesting questions about her life experiences!

Student Research Project
Next week we are going to begin our research of a relative that has served for our nation at war. We need your relative’s full name and one of the following – their date of birth, where they enlisted, their battalion number or rank and their next of kin. Also it is very beneficial if the students have a photo of their relative in their uniform.

We still have a number of students who have not given us details of their relative/s. Your help will make the lesson more meaningful and relevant to your family. Thank you.

Staff Development Day Term 2
The first day back next term is for staff only, so this is a Pupil Free Day. The staff will be joining Pallamallawa, Croppa Creek and North Star for a combined Staff Development Day at Pallamallawa School.

They will be focussing on the new Performance and Development Framework for Principals, Executives and Teachers as well as sharing ideas and resources as a community of small schools. The staff look forward to this professional learning day.

Mrs Johnson is very proud of all students for 100% of homework completed this term!
